Class Advisers

Clarice Grima & Karen McKay

We have had the pleasure of serving as class advisers to the Class of 2014. We have seen these young men and women grow, learn, make good choices and a few questionable ones. Graduates, you sit before us ready to open a new door in your lives – a door that can take you anywhere; it can take you to college where you will continue to learn and grow, it might open to the world of work – where you will take the skills you learned here at the Aggie and apply them in the real world or it may take you to serve our country, where you will keep our freedoms safe, for which we all thank you.

As you pass through this door remember a few things – remember your time spent here, remember that you traveled the country and the world, remember going to Nationals and bringing home that gold award, remember traveling to Canada, remember being members of the first lacrosse team to make it to the tournament, remember the first time you rode a horse, the first time you climbed a tree, the first time you restrained a dog, the first time you started a chainsaw, and the time you received a strange look in Rome or Athens for saying "Yoohoo, family."

You are the last graduating class of Essex Agricultural and Technical High School – the last group to join this elite alumni association, one like no other - a group that chose to take that scary bus ride to a school in a different community miles away from the friends you grew up with to learn about agriculture. This is a choice few have been brave enough to take on and we hope it will be a choice you will always remember fondly in your heart.

We'd like to close with some words of wisdom - something to take with you to remember this time, this place - your Aggie time, your Aggie family - "You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose. You're on your own. And you know what you know. You are the guy who'll decide where to go." - Dr. Seuss

Congratulations to the Class of 2014 and Good Luck in your future endeavors.

Yearbook Dedication

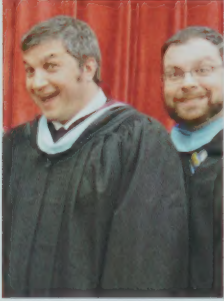

Mr. George Vanikiotis

On behalf of the students of Essex Aggie, the yearbook staff is honored to dedicate this years yearbook to Mr. Vanikiotis. With over twenty years in his tenure here at the Aggie, "Mr. V" has inspired many with his positive attitude. A man of many talents, Mr. V has served over the years as adviser for many clubs including Drama and Yearbook. He also coached multiple FFA CDEs and served as a Class Adviser. Always smiling and willing to help, Mr. V made every experience a teaching opportunity.

Thank you Mr. V for inspiring us to be as Fantastic, Wonderful, Marvelous, Stupendous, Excellent and Amazing as you!

Sincerely,
Your Aggie Family
